This data set/map is for planning purposes only and should not be used for larger scale analysis. The Town of Acton shall not be held liable for any use of the data or images shown on this map, nor is any warranty of accuracy expressed. All uses of this data set/map are subject to field verification.

This picture was taken from Google Maps and the white area in the second picture is approximately where the processor was. As these pictures show a large buffer area was left to screen between the two properties. This area is over 60 feet wide. To help alleviate noise we would move the processor approximately 75 feet further away from the Robbins Mill property, towards the fire pond in the red area pictured below.
